Re: Commonwealth of Virginia v. Cameron Paul Crockett  
Case Nos.: CR09000999-01; CR09001148-00 through -02; CR09001245-00

Dear Cameron:

Thank you for your letter of May 15, 2014, to which I have been meaning to send a response for some time now.

You asked why all of the Judges except Judge Lowe recused themselves from hearing your case. The reason given to me, as I recall, was that all of the Judges (except Judge Lowe) had such significant contacts or familiarity with Jack's family in one way or another that those Judges felt it was unfair for them to preside over your case.

If there is anything else of which I can be of service to you, please let me know.

Thanking you for your letter once again, and with kindest personal regards to you and your family, we remain,
